Kids, Kids, and More Kids!!! Weekly Status Report

We ministered to 15 families this week and signed up 12 new kids!

As we went forth and inviting families to church, a lady, Natasha wanted to share how the Gregory Dickow ministry from radio has blessed her life. She told how she has attended many of the conferences at the Barrington location and periodically attends Wednesday night services. She was glad that we are in her neighborhood.

From the same block a grandmother, mother and her 3 children signed up to ride the bus. She stated that we are an answer to prayer because they have wanted to go back to church.

On another report, a young man of the age of 14 told us he has never gone to church and was willing to meet Jesus through the bus ministry. He is active in a street gang, and we are excited about bringing him into the Jesus gang. Hallelujah!

In His
Service,

Ms. Marlene
